**SHAME: GOP DELEGATE STALLS LEGISLATURE
Democratic Chair Criticizes Delegate Walters Stalling Tactic**

Charleston, W.Va. – Today the Chair of the WV Democratic Party called upon Republican Delegate Ron Walters to end his parliamentary maneuvering. Delegate Walters, through an almost never used procedural motion, is making the House of Delegates staff read the entire language of each bill on the floor out-loud.

“Shame on Delegate Walters for grinding the legislative session to a halt in its most important final days,” WV Democratic Party Chair Larry Puccio said. “There’s no room for temper tantrums and child’s play and I am calling on him to stop this nonsense and to step-up and be responsible.”
